EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Dane Butzer on July 21, 2006.

The application has been amended as follows:

Claim 1, line 11, and claim 12, line 10, "in" has been changed to –about a vertical axis of--.

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claims 1 and 12 is the inclusion of each prong being curved about a vertical axis of an arc across its wider dimension. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
